Dear Praneetha Dommaraju,

Congratulations on being awarded the "Pat On the Back" award.

We at Tech Mahindra believe in "Pursuit of Excellence", which may be manifested in numerous ways. It is important for us to remember and recognize that the endeavor is to excel consistently.

We have raised the bar for ourselves as well as the expectations from our customers in terms of what we can deliver. In that sense, this is indeed a beginning of something bigger and better for all of us.

Once again, thank you so much for your cooperation and support.

Excellent work commitment to complete the M&M POC activities in good time, by coordinating with GE team in India, US and Canada and implementing the requirement changes till the last minute and with quality. Well done!!!

With Best Wishes,
